

IF YOU WOULD RATHER GO TO KESWICK BY TRAIN...

Then please help us to re-open the Railway from Penrith to Keswick

**We are working to bring the line to life with modern trains
running an all day, everyday service across the north**

*Survey, engineering design, environmental impact and
business case work already done*

Local skills and resources used wherever possible

Fully professional effort, at minimum cost

**Creating Sustainable Transport for the North Lakes,
north and west Cumbria**

All funded by our supporters - no Government grants so far

For full details of how you can help by subscribing to newsletters, buying books and DVDs, buying train tickets for other journeys or investing in Bonds, please see our website:
